New Sales Solutions Brochure Release for 2022

Unanderra, NSW - We are excited to announce the release of our 2022 Sales Solutions Brochure. The new 36-page brochure features an overview of the instrumentation we can source and demonstrates our range of solutions available.

The brochure is designed to provide insight into our Sales Solutions capabilities and types of instrumentation we supply. While not an exhaustive list, this includes:

- Real-time Instrumentation
- Status and Point Instrumentation
- Proximity and Limit Switches
- Power Distribution
- Process Control
- Pneumatic and Air Equipment
- Signal Conditioning
- Ancillary Displays

Due to the broad reach of our Sales Solutions capabilities, it also highlights other related services available across the company. This includes solutions that tailor to needs involving:

- Automation and Technology
- Network and Communications
- IIOT Solutions
- Value Added Packages
- Configured and Pre-engineered Solutions

Our Sales Solutions brochure includes a 'Resources' section, providing insight into industry relevant equations, tables, and explainers. A useful tool, these resources can be used as reference when selecting instrumentation, converting units, and more.

Our Sales Solutions team will have brochures available and will be in contact soon. If you would prefer an emailed copy or for more information regarding our sales solutions please contact our sales team. Visit our website at www.triplei.com.au/sales-solutions/ or call 1300 422 444 (Option 1).
