

Triple i's Business Training Program: Your Pathway to Career Success

At Triple i we are pleased to announce the resounding success of our Business Training Program for yet another year! Our program is expertly designed to equip our team members with the essential skills they need to excel in their roles and prepare for a bright future.

As a proud host employer for HVTC, we offer extensive apprenticeships and traineeships that supply on-the-job training and experience, resulting in an accredited qualification. Our unwavering commitment to creating highly skilled and valued employees is evident in our trade, engineering, and business roles.

We are happy to share that one of our team members has recently completed our Business Training Program and has now become a full-time employee at Triple i! Additionally, another trainee has opted to continue their studies at a higher level, further demonstrating the immense value of our training and development programs.

Our trainees and apprentices receive abundant knowledge, practical experience, and unparalleled work environment support, preparing them for long-term success in their chosen careers. We are dedicated to helping our team members attain and maintain professional memberships, learn, develop their skills, and stay updated with the latest practices and trends.

Our training programs are not just about developing skills - our ultimate goal is to have them join us as highly valued and qualified employees. So, if you are eager to embark on an exciting professional growth and development journey, visit our Graduate and Trainee page to learn more about our current trainee program. Trust us, you do not want to miss this fantastic opportunity to take your career to the next level!
