Triple i Partners with Atlas Copco

Wollongong, 28th September 2023 - Triple i, a leading provider of industrial solutions, is pleased to announce its new partnership with Atlas Copco, a global leader in air compressor technology and manufacture. As the new regional partner and authorised distributor for Atlas Copco in Southern NSW, Triple i is pleased to deliver an enhanced product offering along with diversifying our service portfolio.

The collaboration between Triple i and Atlas Copco brings together two industry leaders, each renowned for their commitment to excellence and innovation. With Triple i's extensive knowledge and expertise in industrial solutions combined with Atlas Copco's world-class product offerings, this partnership promises to deliver exceptional value to clients across the region.

Triple i has established itself as a trusted provider of comprehensive industrial solutions, serving a wide range of sectors including manufacturing, construction, mining, and more. The partnership with Atlas Copco solidifies Triple i's position as a go-to partner for businesses seeking top-tier products and services in the region.

One of the key highlights of this collaboration is Triple i's access to Atlas Copco's cutting-edge air compressors, which are recognised globally as the industry standard. With Atlas Copco being the world's leading producer of air compressors, Triple i's clients will now benefit from unrivalled quality, reliability, and performance.

Furthermore, Atlas Copco's diverse range of solutions, spanning Compressor Technology, Vacuum Technology, Power Technology, and Industrial Technology, will be readily available to Triple i's clientele. This expanded portfolio will empower Wollongong and surrounding businesses to optimise operations, enhance productivity, and drive sustainable growth.
